

YETi, Childsplay's youth-ran theatre company, seeks a **Scenic & Props Design** and a **Costume & Makeup Design Mentor** for their Fall production.

About YETi (Youth Ensemble Theatre Inc)

Y.E.T.i is a theatre production ensemble created to give high school students the opportunity to take part in the full frontier of theatre. Founded in January of 2015, Y.E.T.i members manage everything from production and marketing, to fundraising and outreach. With the assistance of the resident Childsplay staff, these teens organize and execute all of the tasks of a professional theatre.

Each season (twice a year), ensemble members will work together to select a production and then spend the semester creating the production from the ground up. From designing, to marketing, and from performing to casting, this production will truly be in the hands of the teen ensemble.
