Childsplay's Student Activity Guide for

Old Jake's Skirts

Today you saw a production of *Old Jake's Skirts* performed by Childsplay. Here are some things to think about and some activities to do now that you've seen the show!

Tell your family and/or friends about the play!

- Who were the characters? Which character was your favorite and why? What did the characters do? What was your favorite part of the play?
- Talk about the costumes, scenery, props and music that were used in the production. Draw pictures to help describe the different costumes and scenery.

Try this Activity With a Friend or in Class!

- In the play, an actor plays a dog character. How would you play an animal character? Choose an animal that you would like to play. Now, decide how the animal would move. What does the animal eat? How does the animal eat? Where and how does the animal sleep? What sound does the animal make? Next, putting all of the animal traits together, move around the space you are in. What happens when your animal interacts with another one?
