Description: You too can become president! A high-octane, multi-media-filled musical revue spanning 223 years of the American presidency – from George Washington to Barack Obama. The 44 men who rose to the highest office in the land are brought to life through all-new rock, pop and folk music.

With songs like ‘The Sons of Washington,’ a rock anthem honoring Washington’s revolutionary idea of peacefully giving up power, and the jazz-inspired “Who in World is Millard Fillmore?” celebrating some of the lesser-known Commanders in Chief, *Rock the Presidents*, is sure to entertain and inform audiences of all ages.
