Job Summary:

This is a put-in roll as we have a current Stage Manager that will have to move to another role after the holidays. The prompt book and all the technical elements will already be in place for the production. You will be responsible for advance calls to schools to ensure logistics and preparations are completed for when you arrive in addition to daily calls, driving, load in and run of each show. Our education department is already booking performances. You and the cast will travel together to the venues (schools) and set up the show, run performances, and then strike from the school.

Childsplay values equity, diversity, and inclusion (EDI) throughout our organization, programs, and audiences. We are committed to giving underrepresented artists a safe space to create art and community.

By welcoming people with differences in religion, ethnicity, sexual orientation, class, gender identity, ability, and age we are better able to celebrate that which brings humankind together: Imagination and Wonder.
